On March 16, 2022, the government filed a Revised Motion to Seal asking the Court to order that this case remain under seal until further order of the Court. The government indicated in that motion that it intended to move to unseal the case during the defendant's initial appearance and arraignment. The Honorable Donna M. Ryu, United States Magistrate Judge, granted the government's motion on March 16, 2022.

On March 20, 2022, the defendant was arrested in the District of Arizona. He is scheduled to have his initial Rule 5 appearance in that district on March 22, 2022.

The government is currently investigating additional suspects for related crimes. In connection with those investigations, the government plans to execute multiple search warrants on March 23, 2022.
